Key Resources (What do you need?) Distribution Channels (How do you reach them?) Customer (Audience) Relationships (How do you interact?)

Business Model Canvas · Agile Sprint Playbook

A business model playbook is a set of business models that you or your organization could implement over time. They can be executed independently of each other, or in a series. If you have a larger team or an enterprise you might execute them in parallel (which is where the football metaphor breaks down, but you get it).
