The Family Communication Sourcebook by Lynn H. Turner

Thus, communication reflects and creates family experience, and family experience is grounded in communication (Turner & West, 2006a). Yet, these fundamental relationships are complex and various. They are incapable of formulaic description, and the diversity of family life must be acknowledged by students and scholars of family communication.

SAGE Books - Defining the Family through Relationships

Communication within the family is extremely important because it enables members to express their needs, wants, and concerns to each other. Open and honest communication creates an atmosphere that allows family members to express their differences as well as love and admiration for one another.
