Vt365 Engine Review

vt365 I would definitely stay away from a vt365. I called about a nice looking chip truck and when I found out the motor, the salesman said its a good motor as long as you only drive 10-15k miles a year and not for someone going to drive 30k a year.

Vt365? | Arboristsite.com

The economical International VT 365 diesel engine is engineered to maximize cost efficiency with features that optimize performance, reduce emissions and enhance driveability, fuel economy, reliability and serviceability.

Found this very interesting. VT365 Engine Specs. - Ford ...

One of the achilles heals of the VT365 is the large quantity of oil (3-4 quarts) that never drains out during an oil change. Just one extended drain interval can start the cycle of damage. It can be even worse for the engine in the Ford applications as that gallon of used oil only gets diluted with 3 3/4 gallons of fresh oil during a change as opposed to the 4 3/4 gallons in the VT365.

VT365 Woes - School Bus Fleet Magazine Forums

ABOUT THE REVIVA VT365. All Reviva engines are assembled in the USA. Blocks, heads, and crankshafts are 100% magnaflux tested to avoid cracked components. Crankshaft is checked for size, reground, if necessary, and micropolished to OEM specifications. Camshaft is checked for wear, reground as necessary, and micropolished to OEM specifications.

International VT365 Diesel Engine | Reviva

It doesn't help that the engine idles for extended periods of time at the bus garage, at the schools, and at the multiple stops and traffic controls. The more idling it does the more the soot level increases. Much like the old 9.0L from yesteryear, the VT-365/MaxxForce7 engine was very successful with some operators.

VT-365 / IC-bus - School Bus Conversion Resources

The VT365s VGTurbo depends on engine oil pressure to move its vanes so there is no key on, key off movement like in a DT466. The VT365 retains nearly one gallon of oil in its system that never drains out during an oil change, the percentage of retained versus drained oil is much higher than in a DT.

VT365 Injector Failure - School Bus Fleet Magazine Forums

The Navistar VT 365, also sold as the Ford Power Stroke, is a Diesel V8 engine. It is used as the Power Stroke in Ford's F-350 Series Super Duty and under the Navistar name in the International MXT trucks. The 6.0 L Power Stroke turbodiesel was on the Ward's 10 Best Engines list for 2003.

Navistar VT 365 Power Stroke Diesel Engine

2004 International 4200 VT365 6.0L 6 Speed Manual 24' Box Truck. Thursday evening, February 24, I was delivering a load of parts from Oklahoma City to Amarillo. The engine light came on, and it started progressively losing power. I hit the next exit, pushed in the clutch and it died. I let the clutch back out and it fired back up.

Need some help concerning VT365 6.0L International ...

The Navistar VT engine family is a line of diesel engines that was produced by International Truck and Engine (Navistar International) from 2003 to 2016. Developed as the replacement for the T444E V8, the VT V6 and V8 diesels were the smallest diesel engines used in Navistar vehicles, slotted below the DT inline-6 engine family

Navistar VT engine - Wikipedia

The VT365 engine did not suffer as many engine failures like theɪmp;6.0L PowerStroke did. However the EGR Coolers did still fail but not as much. Possibly because of the lower horsepower ratings.

VT365 Engine Bare Long Block - Diesel Experts

After 4 years and 47000 miles with a VT365, predecessor to the MaxxForce 7, I made a command decision to stay away from V8 diesel engines in my new coach. I love my new Cummins ISB engine. The V8 VT365 gave me fits with turbo and injector issues. I got to where I was leery of traveling in the coach wondering what would happen next with the engine.

Good Sam Club Open Roads Forum: Navistar MaxxForce 7 ...

Ford has agreed to settle a class-action lawsuit over claims that it sold defective Power Stroke diesel engines in its 2003-07 Super Duty pickups and E-series vans.

Ford settles class action over Navistar diesels

I've been getting 20 or more engines per year from Asheville Engine for several years now and we have never had a problem with any of them. I did receive one that was damaged in shipping that Rob, the owner, personally took care of, even though he didn't have to...so when you ask about someone's personal or business reputation, one thing is for sure, Asheville Engine builds the best motor in ...
